ToK exhibition – Housekeeping

1. Submit your final exhibition document on Managebac (task)
2. Add the link to your poster to the shared spreadsheet
3. Enter the Turnitin AI and similarity percentages on the spreadsheet
4. Add your prompt number to the spreadsheet
5. **Once Turnitin percentages have been confirmed**, add your document to the dedicated TOK Exhibition space on Managebac as well as your prompt number and word count (do not include titles, nor references)

6. Add the link to your PDF to the spreadsheet (link from the shared folder, not your personal drive)
7. Add the feedback provided for the first draft to the comment section
   Title: **Feedback on first draft**

8. Add your reflection to the comment section (250-300 words)
   Title: **Reflection**

- What ATLs did you develop through the exhibition work?

Thinking Skills
Social Skills
Communication Skills
Self - Management Skills
Research Skills

- What challenges did you face throughout the task?

- How did you overcome these challenges?

- Overall, what did you gain from the exhibition work?

- How has the exhibition enabled you to better understand the ways in which knowledge manifests in the world around us?
