Me as a knower

Where does my knowledge come from?

Where do *you* come from?

Where does your knowledge come from?

Who?

What?

Where?

These are knowledge communities...

Why do we ‘trust’ this knowledge?

Why do we ‘trust’ this knowledge?

- Tradition?
- Authority?
- Confirmation bias?
- Belonging and identity?

Update your journal

What knowledge communities do you belong to?

What makes you ‘trust’ the knowledge you gain from these communities?
